

# PACK 673

## CAMP OUT 2009

**PACK 673 CAMP OUT JULY 17-19, 2009**

### **CAMP PATIYA**

I would like to invite the entire pack to our 2<sup>nd</sup> annual Pack Camp out at Camp Patiya. This is a wonderful time to get the entire family to enjoy the great outdoors, and be close to home. We are looking for families of Scouts in Pack 673 to join us for a weekend of fun, learning, and exploring the outdoors. For those interested you can join us for the one night or just on Saturday. This is a great way to introduce our Scouts to the great outdoors along with having fun. We will go on a hike, work on our SOAR Patch and others items. We will have a campfire each night along with s'mores and stories. This is a good way to learn to cook in the outdoors and have fun with the Pack. If you are interested please email me at [cubmaster@pack673.org](mailto:cubmaster@pack673.org) .
